Attention: Mr. Mohammed Abu Rabie - Director

Subject: Recommendation Letter

To whom it may concern,

We are writing this recommendation letter for the security services of Prime Security Services LLC.

Dubai Sports City have been using their security services since 2015 and have been a very satisfied customer. They offer the most competitive rates and have always been exceptional with their service quality. They have managed certain requests with limited notice and always ensure to fulfil these requests with professionalism. Prime have managed multiple events simultaneously throughout different venues in Dubai Sports City, and have been able to handle them without any shortcoming.

Not only have their security services been above par, they have expanded their services during our events to manage traffic for VIPs within our international venue.

Overall we have been extremely pleased with the services provided to us by Prime Security Services LLC, and would highly recommend them to any other sporting facility within the UAE.

Yours faithfully,
For & on behalf of
Dubai Sports City

25/04/2019.

Prime is well coordinated with the event planner . We assure our selected security is proper personnel to implement the security plan professionally. Including basic security plan components: entry criteria, access control, criteria area protection, specific security concerns, specific restriction, and emergency action plans.

Among all security provider in Dubai its our pride to be the chosen security provider of **YANNI CONCERT** held in Burj Khalifa.

We ensure our security team has been briefed as to the coordination that will be required between them and responding emergency service personnel who may be deployed to an incident at the event.

Communication is probably the most critical element of any emergency response plan. Our security personnel will have to first establish their own communication protocols to be use in the emergency, then follow the directives issued by local authorities who will take over when they arrive.
